### BUILDERS AND TRADERS' ARE PLEASED OVER 8-HOUR LAW

IRST MEETING AFTER CLOSE OF FISCAL YEAR-PLANS FOR COMING YEAR TO BE ACTED ON.

The Board of Directors of the Builders and Traders' Exchange will meet tonight for the transaction of regular monthly business. This being the first meeting of the Board since the close of the first fiscal of the Exchange, there will be considerable business of importince brought up.

The Exchange has come to be recognized as one of the factors in the upbuilding of Honolulu, and the commitees of the organization have been laying broad plans for the coming year. which will come for action tonight, be-

fore the Board, The Exchange has stood as a conser vative exponent of making Honolulu CUP AT PEARL HARBOR attractive to American labor, on the theory that the more American labor n Honolulu, the larger will be the American retail merchant business in the city, and that anything tending to increase the number of Americans in Yards. Phone 3161 White. P. O. box Honolulu, must eventually stimutate the erection of American homes by American workmen.

The smaller yachts showed to good regular session of the Legislature, in figures. advantage in the races at Pearl Har- getting a bill passed and signed totor Sunday. Early in the morning, the quiring that all labor on public works fleet gathered off Macfarlane's and the should be performed if possible by cit-Peninsula wharf, a number of them igens of the United States, or those ei- parlors. coming up from Pauloa where the igible to become citizens, and fixing night had been spent and others having eight hours as a legal day for such work. The members of the Exchange At 10:32 a. m. the first race was are quite elated over the fact that the started. resent laid up for repairs, will preent quite a different appearance when the alterations are finished. The prinipal chage will be the addition of two staterooms on either side of the upper These rooms will be placed where formerly two long benches stood against the engine room wall. The forward deck is at present be-

ng partly renewed by a force of car penters and altogether a number of novations and alterations will made. The repairs of the Maui will probably be finished in a couple of weeks

The Maul will then make a couple of trips on her usual run to Kukaiu, Laupahoehoe, Papaaloa and possibly other Hamakua ports, whereupon she will be placed on the Maul run in the place of the steamer Claudine. It is with this end in view that the additional passenthe Maul.

The reason for the change of routes the Claudine and the Maul is that the Maul is a cheaper boat to operate so that when the sugar season slackens up, the Claudine can be laid up in the place of the Maul and the difference in running expenses saved.
